To All Owners of Registered Dogs in the Town of Redcliff

Re: Dog License Application Information Release

This letter is to inform you that the Town of Redcliff has implemented a new online service, My Redcliff. My Redcliff acts as a Virtual Town Hall, and will give those who sign up the ability to:

- View and pay property tax bills,
- View and pay utility bills,
- View and pay for dog licenses,
- View and pay for business licenses,
- Order, view and pay for tax certificates.

To access My Redcliff, visit www.redcliff.ca and click on 'My Redcliff' under 'Online Services'.

Additionally, My Redcliff would also allow for all members of the public to contact a dog owner directly if they find a lost dog. Each dog tag number is associated with a specific dog and owner. If your dog gets lost, and someone finds it, they will be able to go to My Redcliff, click on Dog Search and enter the tag number. Your dog's information (name, gender and colour) will be displayed. Along with your dog's information, your phone number will also be displayed (no other personal information will be made public). This will allow the person who found your dog to contact you so you can be reunited with your dog much more quickly.

If you do not wish to have your telephone number released when your dog's tag number is searched, please complete the bottom of this page and return it to Town Hall before October 1. If the Town does not receive a response, consent is implied that the Town may release your phone number for the above stated purpose.

Thank you,

Town of Redcliff - Finance Department

I, _____ (name), do not authorize the Town of Redcliff to display my
telephone number ____ - ____ - _____ (telephone number) associated with Dog Tag(s) # _____

(tag number(s)) in the use of the online Dog License Search Tool.
