NEXT STEP MUSIC THERAPY

A music therapy session is a space where individuals can tap into their unique musical abilities, no prior musical learning or experience is needed. Within the sessions various musical interventions will be explored for example: relaxed listening, improvisation, drumming, singing and lyric analysis. The music therapist meets the unique and individual needs of each individual in the group. Within Music Therapy sessions might facilitate social interaction, encourage independence promote an overall sense of wellbeing. Individuals generally feel less anxious, more physically relaxed, find an emotional or mental release and develop positive therapeutic relationships with others, in a safe space and enjoyable musical framework. Call 403-548-3232 for more information

PAINTING WITH VAL

Grab your friends and come on out for an afternoon of creativity. Paint along with the facilitator and create a masterpiece, no experience needed! Price includes all materials and 1 drink ticket.
