

# Redcliff Skatepark

## ADVISORY BOARD FORM

### Introduction

The Town of Redcliff is looking for interested members of the public to sit on an advisory board for the skatepark project. The skatepark advisory board will be involved with activities such as: providing input and ideas towards skatepark design, creating grant applications, and coordinating community support and sponsorship. You do not necessarily need to be a skateboarder or have previous skateboard experience to sit on the advisory board.

We are looking for people passionate about building community and able to commit 4-8 hours per month for 12 months towards the project. The advisory board will likely meet once/month for 2-3 hours, date and time to be determined. Commitment will also involve 2-5 hours/month of individual work outside of board meetings. The advisory board is open to everyone and is not exclusive to Redcliff residents. If you are under 16, you will need parental consent to fill out the form.
